A plaque was placed in memory of Mary on the newest incubator in Arusha Medical Centre, Tanzania.

### Careen Graduates!

Careen graduated recently from Law School in Dar-es-Salaam, Tanzania as a human rights lawyer. As an orphan from a young age supported by Amara Aid, she has now reached her goal to help others who found themselves in the same position as herself all those years ago.

Careen valued Amara's financial support and prayers as she struggled through a very difficult course.

## What does AMARA mean?

The word "AMARA" means 'Aid and Assistance' in the local language and we endeavour to live up to that goal.

## Mission Statement

Our Motto is "Christian Support for Development Projects Abroad" and since our inception much has been achieved.

## Who Are We?

We are a Christian charity based in Northern Ireland, UK and our primary objective is to provide medical, educational and agricultural assistance through various projects to poor communities mostly in Tanzania. We are a group of volunteer Directors whose aim is to assist the poor and needy in East Africa. We rely on support from individual donors, groups and fund raising events. ALL donations go directly to the projects. We have representatives personally supervise our projects in Tanzania.

## Is it a Registered Organization?

Amara Aid became a Registered Charitable Organization on the 29th November 2001 (Inland Revenue Charity Ref No: XR53617) and is therefore eligible to claim Gift Aid from the Inland Revenue by tax payers who give donations. You can help Amara Aid by sending donations which will be used for the various projects undertaken.

**ALL DONATIONS GO DIRECTLY TO THE PROJECTS**
